SQUASH COACHING AT Dauntsey's SCHOOL

2022 - 2023

Squash in Schools has been providing peripatetic coaching for over 25 years and we currently coach at several schools in the South of England. We have qualified coaches working with us and we focus very much on our own Skill Awards programme. All coaches have been tutored by Paul Chaplin, one of the country's top players and coaches, who has a wealth of experience of teaching at schools. We also run monthly tournaments in Salisbury which give everyone a chance to try out new-found skills! We work closely with England Squash to keep up to date with the latest guidelines and coaching advice.

If you would like your son/daughter to have squash lessons, would you please complete the form below and return it as early as possible. We wish to stress that the coaching is for all ages and standards from complete beginners upwards. It is also an ideal activity to take up for the Duke of Edinburgh Award.

Two individual lessons per term may be canceled if sufficient notice of absence is given (48hrs). This includes illness, school matches and other commitments. In case of serious injury and the pupil must take time off from sport, we will charge for the half term. Please inform Dan Plumb **Squash in Schools** on 07780 850675 or email danplumbsquash@outlook.com if your son/daughter is unable to attend a lesson. Group sessions are charged regardless of attendance, but we do 'chase' the pupils and inform parents if they miss 2 consecutive lessons.

NB Existing squash pupils **must reapply** for the new academic year. Lessons will continue throughout the year unless we are informed otherwise. One full term's notice is required if the pupil wishes to discontinue squash lessons. When notification has not been received lessons will be charged at the normal rate.

The cost for squash coaching will be added to your end of term account.
