

Dauntsey's School Advanced Payment of Fees Scheme

Dauntsey's operates a fees composition scheme in which parents or guardians may obtain a discount on the full fee payable by paying one year's fees in full in advance by 1 June for the school year commencing in the following September. Discounts are applied in arrears at the end of each term and shown as credits on subsequent termly invoices.

The rate of discount to be applied is set by Governors each year and will be published with the annual fees notification letter at the end of the spring term.

The discount rate for the school year commencing September 2018 has been set at 2%.

Registration for the scheme should be made via the Fees Manager **no later than 4 May 2018**.

Renewal is not automatic - an application needs to be made each year.

Payments cannot be accepted after 1 June 2018.

Parents of guardians wishing to utilise this scheme may obtain further details or register their interest by contacting the Bursar (Steve Lilley) or Fees Manager (Lesley Mayland) on the email addresses listed below:
