

# HISTORY

The paper will consist of two sections, and will last 90 minutes. Sections A and B will be based on the skills and knowledge developed in the various Modern World IGCSE or History GCSE syllabuses.

**Section A** will consist of a selection of essay titles based on common topics from I/GCSE syllabuses: Appeasement; Nazi Germany; the post World War One Peace Settlements; Tsarist Russia and the USA in 1920s and 1960s. One essay will need to be chosen. There will also be questions on crime, medicine and warfare through time as well as the historic environment.

**Section B** will require each candidate to select one essay title from a small selection. These titles are designed to test the candidate's ability to construct arguments and to give an insight into his/her wider knowledge and understanding of the subject.

Should candidates have any questions prior to the examination, they should contact Ben Sandell by e-mail on: [b.sandell@dauntseys.org](mailto:b.sandell@dauntseys.org)
