Dear Parents,

PRIVATE TENNIS COACHING 2021/2022

Private tennis lessons are available throughout the year with Tennis Pathway Ltd. Mr Will Baillie is the Head Coach who employs a range of coaches to provide lessons across all age groups and skill levels.

Lessons are charged at the following rates and added to the School bill at the end of each term:

Individual lessons: 1 hour = £32.00

45 minutes = £24.00

30 minutes = £16.00

Group sessions: If lessons are shared as a pair, the price of the lesson will be split between the two pupils. With more than two pupils sharing a lesson, the flat fee per pupil will be £5.00 per 30 minutes.

Pupils must ensure that their parents are willing for them to receive lessons before they arrange them. Pupils will be allocated a fixed time/day, weekly coaching slot. Pupils are responsible for arranging their own partners for shared lessons.

TO ARRANGE LESSONS: Please contact our Head Coach, Mr Baillie (tennis@dauntseys.org) or Miss Bradley (k.bradley@dauntseys.org).

Tennis Pathway Ltd will also be at the Clubs and Societies fair at 4.20 on Friday 3 September in the Memorial Hall if you would like to arrange lessons then. Please note that there are a limited number of coaching spaces available, especially before 5.30pm (when school transport departs).

ATTENDANCE:

- If pupils cannot attend a session, they must give their coach at least 24 hours notice, in order to avoid being charged for that session.
- Pupils should not assume that their coach is aware of other commitments (e.g. sports fixtures, academic visits) that prevent a pupil from attending their scheduled lesson.
- Lessons will take place irrespective of weather conditions, unless mutually agreed otherwise, between the coach and pupil.
- Where one player from a shared session cancels his/her lesson, the other player must still attend and will receive an individual lesson. This will be charged at the individual lesson rate.
- If for any reason a coach cannot attend a session, of course no charge will be made, and pupils will be informed as early as possible.

COURTS: Lessons generally take place on the tennis courts between the two Astros. Manor pupils' lessons typically take place on the Manor courts after the school day. When poor light becomes an issue, afternoon/evening lessons take place on the floodlit Manor courts.

Yours sincerely,

Kerri Bradley
