

Dear Parents/Guardians

Our major fundraising event in support of the forthcoming trip to the Nightingales Children's Project in Romania is scheduled to take place on Saturday, 23 March 2019 between 7.30pm and 10pm. It will take the form of a dinner and an auction.

For this year's event we will not be selling individual tickets, as in the past, but rather the chance to purchase a table for up to ten people for the very reasonable price of £100. This represents a big saving on recent years so please do pick up the phone, ring around and book yourself a table for what promises to be a fantastic and entertaining evening.

Included in the cost of a table will be a glass of fizz on arrival, an antipasti-style supper, dessert, live entertainment throughout the evening and of course, the highlight of the event will be the charity auction where it will be possible to bid for some amazing and unique items. Fancy dress for this event is optional, but most certainly encouraged, under the evening's theme of Circus/The Greatest Showman! An auction list will be sent out prior to the event and we will accept bids from anyone unable to attend.

To obtain a table, please email c.tonkiss@dauntseys.org with the name and contact details for the host of the table along with any specific dietary requirements by Wednesday, 13 March.

We really hope you are able to attend what promises to be a brilliant event in order to raise money for a very deserving charity. For further information about Nightingales Children Project and the work that they do please visit: www.nightingaleschildrensproject.co.uk

Yours sincerely

Chris Tonkiss
