

Manor Marathon

As part of Dauntsey's 'Running Week', Manor are performing their annual Manor Marathon.

This year will be different from most with each tutor group accruing kilometres as a team. The goal for each team will be to run a marathon, or 42.2km, between Monday 18 May and Friday 22 May

Below are some photos of last year's Manor Marathon, to motivate you!

How to take Part:

Starting on Monday 18th May, email Mr Fulling every day the distance that you have run. Each tutor group's total will be posted daily on Firefly and a total will be posted at the end of the week.

Photos and videos of you taking part would also be appreciated.
