Dear Parent

Lower School Wide Game and BBQ

On Wednesday, 7 March, from 5.30 – 8.00 pm, there will be a Wide Game and BBQ for all Lower School pupils at the Manor.

A wide game is an outdoor activity, usually between two or more teams which have to achieve specific objectives in order to win the game. This might be simply preventing the other team(s) from finishing or collecting certain items. Wide games are organised within a given geographical area and usually have a theme or storyline which helps set the scene. Apart from having fun, wide games provide an opportunity for the participants to develop teamwork, planning skills, endurance, resourcefulness, initiative, and physical fitness!

I advise the pupils' to wear loose-fitting comfortable clothing that can get thoroughly wet and muddy, and sensible footwear which is suitable for running around the woods (e.g. old trainers or boots). Pupils will need to bring a torch for the activity. The event is due to finish at 8.00 pm and therefore I would be grateful if parents can collect pupils from the **main rear school car park**. Day houses will remain open for pupils to collect their bags at the end of the evening.

If you would like your son and/or daughter to attend this activity please could you kindly confirm this via email at e.conidaris@dauntseys.org by Friday, 2 March.

There is no need for parents of Manor pupils to reply.

Please do not hesitate to contact me if you have any further queries or concerns.

Yours sincerely,

Eleni Conidaris
Head of Lower School
